Notes: See attached picture of bus 36. EPA certificate of conformity for emission level (NHHC+NOX) as well as (NOx + HC) are listed above and obtained directly from the International manufacturer and from test data received from the manufacturer.

The replacement vehicle will serve as an employee transport bus with a Cummings B6.7, diesel, commercial 44 passenger capacity with 240 HP@560 LB-FT and will be maintained in accordance with manufacturer specifications.

When the original vehicle (bus #36) is retired, it will be rendered permanently disabled by drilling a 3” hole in the engine block and manifold and disabling the chassis by cutting it in half while in the MTGA Transportation Department possession as the acceptable scrapping method. Evidence of proper disposal will be provided with a picture of the engine hole, serial number or vehicle identification number of the bus scrapped along with the date scrapped. The new vehicle engine’s certificate of conformity will be obtained from the engine manufacturer or from the emission control information label on the engine. This information will be recorded by MTGA Transportation.

5.2.7.2 ADDENDUM

The Mohegan Tribe of Indians of Connecticut has established a webpage on the publicly accessible website: <https://mohegan.nsn.us/> located under the heading of "ABOUT" dedicated to the funding received from the VW Settlement Trust, which will include a link for members of the public to request additional information and documents related to the funding request and expenditure of funds. The Mohegan Tribe of Indians of Connecticut will endeavor to respond to such requests within ten (10) business days and when documents are requested, will advise the individual within that timeframe of the procedure for reviewing documents.

The Mohegan Tribe of Indians follows the Mohegan Code of Laws including but, not limited to, the Mohegan Freedom of Information Ordinance found in the Mohegan Code of Laws, Part II, Chapter 1, Article VI for matters governing the publication of confidential business information and personally identifiable information and exemptions thereto.

ATTACHMENT C – REPORTING REQUIREMENTS

The Mohegan Tribe of Indians of Connecticut will for each Eligible Mitigation Action (EMA) no later than 6 months after receipt of the first disbursement of Trust Assets and thereafter no later than January 30 (for the preceding six month period of July 1 to December 31) and July 30 (for the preceding six month period of January 1 to June 30) of each year will submit to the Trustee a semi-annual report describing the progress implementing each EMA during the six month period leading up to the reporting date including a summary of all costs expended on the EMA through the reporting date. Such reports shall include a complete description of the status including actual or projected termination date, development, implementation and any modifications of each approved EMA. The reports will be signed by an official with authority to submit the report and will contain an attestation that the information is true and correct and that the submission is made under penalty of perjury.
